This is a test document to see if the filing is done correctly. In order to serve you better, we have prepared a list of contact persons in the Human Resources group at I&ET headquarters. However, if you have a designated HR contact at your site, you should continue to coordinate your questions through your local representative. If you are not sure of which HR representative you should contact regarding your question or concern please feel free to contact one of the representatives below and ask for direction.

Because of the volume of calls we receive, it may take a few hours before we can respond to your call. If you have leave a detailed message, we may have an answer when we return the call. In case of an emergency requiring immediate assistance when you cannot reach the designated HR contact, you should contact one of the managers. We hope this list will be helpful to you and make it easier for us to meet your needs.
